

Say goodbye to polybags

Switching to OIA Global's coated apparel boxes will protect your product and the environment.

Let's talk!  brandon.ripley@oiaglobal.com

8 million boxes delivered with zero carton failures

Make an impact on your sustainability goals

OIA Global's coated apparel boxes have a PRSL-compliant, food-safe coating that creates a barrier and repels moisture at carton closure. Save the planet while protecting the integrity of your product.

100% recyclable

PRSL compliant

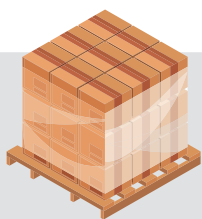

Zero quality claims
