Transit Times

Transit Times

OIA's Sprint LCL product helps customers convert air shipments to ocean while still meeting tight deadlines!

- Orders that must be in Houston within 7 days would automatically move via air.
- Orders that must be in Houston within 26 days or more would automatically move via ocean.

Any orders that need to be in Houston with a lead time >16 days but <26 days can now be sent via ocean freight instead of air freight.
