

# Comprehensive Ocean Shipping Solutions

Shipping robust FCL & LCL volumes  
across all major trade lanes.

Transportation & PO Management | Multi-Modal | Cargo Insurance | Carbon Reporting

## Ocean Freight

Whether you're shipping massive volumes through the Panama Canal or seasonal less-than-container-load (LCL) shipments via the Danube River, OIA's ocean freight team will create logistics solutions that satisfy your unique business needs, ensuring they are both reliable and economical.

As a proven Ocean Transportation Intermediary (OTI) and a licensed Non-Vessel Operating Common Carrier (NVOCC), OIA maintains strong relationships with global core and niche carriers worldwide. We also have a proven track record with leading maritime alliances and can provide your business with real-time shipment visibility and cargo tracking updates.
