

# Eurasia Pathway

ASIA  INDIA  EUROPE

Pathways is OIA's focused approach to strengthening key trade corridors and delivering smarter, more reliable solutions where customers need them most.

[FIND YOUR PATHWAY](#)

**OIA enables faster, smarter, and more predictable movement between Asia and Europe with multimodal flexibility, compliance expertise, and digital visibility, designed for customers navigating volatile rate cycles.**

## Predictability in a Volatile Market

Stabilizing transit times and mitigating Asia–EU route disruptions.

## Multimodal Intelligence

Ocean, air, rail, and hybrid options that are optimized for cost and speed.

## Regulatory & Documentation Expertise

Conformité Européenne (CE) documentation support, customs clearances, and compliance workflow management to prevent delays.

## Digital Visibility & Control

Clear tracking, strong exception management, and proactive communication.

## Sustainability & ESG Alignment

Lower-carbon routing options and support for ESG reporting (EU Green Deal).
